

At her adoption, Courtney told her CASA volunteer she was her first friend.

Your gratitude report • Thank you for supporting CASA of Lexington!

# You changed 671 kids' lives in 2022!

Growing your impact for children in need

You made it possible for **290** CASA volunteers like Brittney Thomas to advocate for the best interests of abused and neglected children in seven central Kentucky counties.

Those volunteers spent a total of **18,315** hours visiting children, talking to adults involved in their lives, writing court reports and advocating in court for what the children need.

Volunteers advocated for **15** Lincoln County kids in the newest county added to our service area. Your continued support is making it possible to train more volunteers and serve more children in 2023.

Thank YOU for making children's lives better!

## You Can Send a CASA Kid a Valentine!

Have you ever wished you could tell a CASA kid you're in their corner? Use the link below to submit a small message of kindness and cheer. We'll put your message on a valentine and send it on a CASA volunteer's February visit.
