TITLE: Chief Executive Officer

About the National CASA/GAL Association for Children

The National CASA/GAL Association for Children (National CASA/GAL Association, National CASA/GAL or the Association), together with its state and local member programs, supports and promotes court-appointed volunteer advocacy so every child in the United States who has experienced abuse or neglect can be safe, have a permanent home and the opportunity to thrive. National CASA/GAL is the federated membership association for 948 state and local court appointed special advocate (CASA) and volunteer guardian ad litem (GAL) programs in 49 states and the District of Columbia. CASA/GAL volunteers and staff work every day to help change a child's story.

Executive Summary

The adoption of 2020 *Standards for Local CASA/GAL Programs* (Standards) represents a significant milestone in the implementation of the National CASA/GAL Association for Children's (National CASA/GAL) Strategic Framework. The 11 updated Standards reflect our focus on becoming a highly effective organization at the national, state and local levels, as well as our unwavering commitment to providing quality volunteer advocacy for children who have experienced abuse or neglect. Operating based on a set of quality standards remains vital to our focus on developing and supporting highly effective local programs.

The objective of *Standards for Local CASA/GAL Programs* is to set performance levels for local programs to ensure quality while allowing individual programs room for creativity and innovation. A set of quality standards to measure a program's operations demonstrates that a program:

- **Respects and is committed** to quality for the children and families served and that volunteers provide best- interest advocacy
- **Utilizes established policies and procedures** necessary for effective management and governance
- **Manages their financial affairs** prudently, are financially sound, and are committed to the principles of public disclosure
- **Continually evaluates** its services and operations
- **Works positively and collaboratively** with their stakeholders, state organization, other local programs and with National CASA/GAL
- **Recruits, trains, develops and supports** a high-caliber team through effective human resource practices

The National CASA/GAL network is strengthened through programs operating under a national set of standards that ensures high-quality best-interest advocacy. Programs are required to adhere to standards that align with a core model, support best practices in governance, management and operations, and are based child welfare consistent guiding principles. The programs participate in standards-based quality assurance (QA) reviews which foster greater awareness among staff,

volunteers and governing bodies of how the programs are governed, operate, and execute on our shared mission. National CASA/GAL is strongly committed to high quality best-interest advocacy and will support this commitment through technical assistance to the local network to achieve these Standards.

History of National CASA/GAL Association Standards and Revisions (Prior to 2020)

The National CASA/GAL Association first issued a simple set of 12 Standards for local CASA/GAL programs in 1990, with the Standards becoming a condition of membership a year later. The Standards have evolved over time to include separate standards for local CASA/GAL programs compared to standards for state CASA/GAL programs, the development of QA processes as well as revisions to the respective standards to reflect improved operations and updated management practices.

Timeline for Local Program Standards

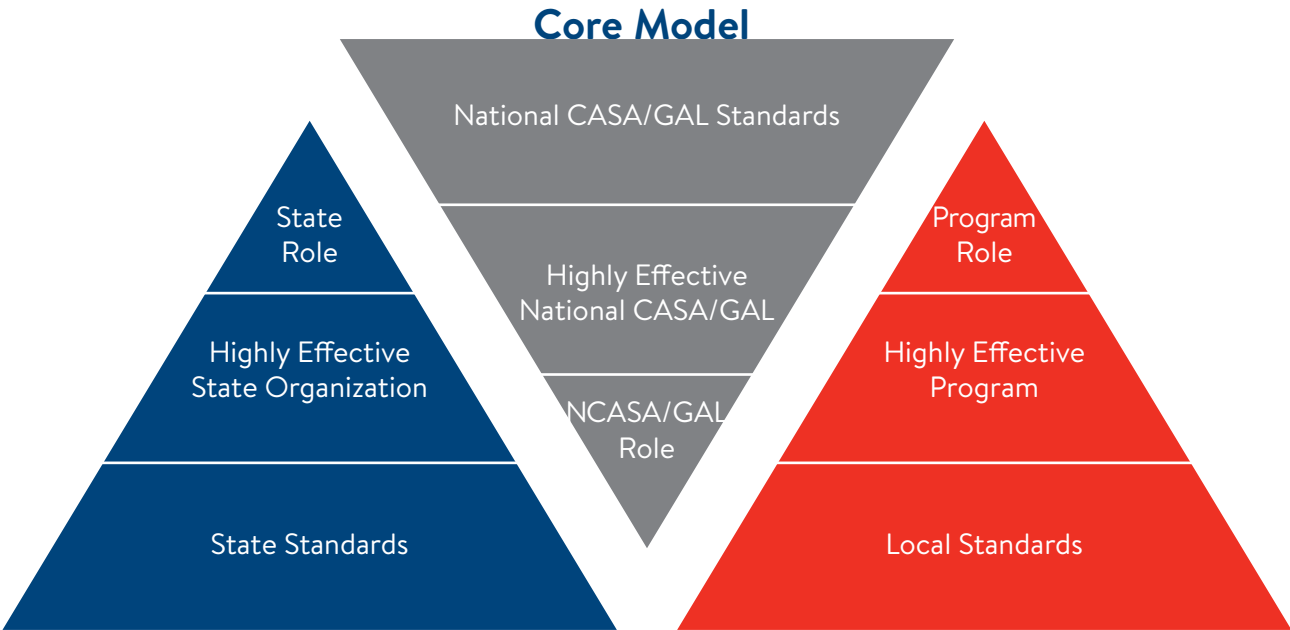

To update and revise the Standards, National CASA/GAL sought and received significant input from the entire CASA/GAL network. A Standards Committee was formed representing a broad cross-section of the CASA/GAL network diverse in demographics and skill set. Staff from state and local programs; urban and rural programs; guardian ad litem and friend of the court models; the judiciary; and National CASA/GAL staff were represented on the Standards Committee.

This commitment to network input continued with the latest inclusive process launched in the Spring of 2017 to update the state and the local program standards to align with the strategic direction of becoming highly effective organizations. Along with the development of key foundational documents to guide the work of the network, to include the *National CASA/GAL Association Core Model*, documents describing the roles of National CASA/GAL, state CASA/GAL organizations and local CASA/GAL programs, and the highly effective definitions for each level within the network, new *Standards for State CASA/GAL organizations* were adopted by the National CASA/GAL Board of Trustees in 2018.

Creating the 2020 Standards for Local CASA/GAL Programs

In April 2017, the four local leadership councils (Rural, Suburban, Tribal and Urban) served as the primary work groups in the development of updated local program standards. First, the *Role of a Local CASA/GAL Program* and the definition of a *Highly Effective Local CASA/GAL Program* were developed individually by each leadership council. The four versions of these two documents were then combined into a unified document to help inform creation of new standards for local CASA/GAL programs.

Foundational Documents

The local standards work was further shaped by reviews from the State Leadership Council, all state directors and input gathered from the CASA/GAL network at large. The first network comment period in response to the draft Standards was conducted in December 2018. Feedback was received and incorporated into a revised draft version of the new local standards in 2019. A subsequent comment period was held in early 2020, followed by the local leadership councils approving the overarching 11 Standards for local programs in March 2020 followed by approval of related elements of practice for each of the 11 -Standards during their meetings in May 2020.

In June 2020, the 11 Standards and accompanying elements of practice were approved by both the State and National Leadership Councils resulting in the next step of separate documents being created - one for nonprofit local programs and another for publicly administered programs, along with a combined glossary of terms. During June-August 2020 council meetings, the Nonprofit Standards, Publicly Administered Standards and Glossary of Terms were approved by the six leadership councils with a recommendation to move the documents forward to the National CASA/GAL Board of Trustees for review and adoption. The Board of Trustees approved the Standards for adoption in September 2020.

Process for New Local Standards Development

April 2017	Local leadership councils start developing the <i>Role of a Local Program</i> , a <i>Highly Effective Program</i> and updated local standards
Dec 2018	45-day comment period held to give the network an opportunity to provide feedback on the draft of the updated local standards
Oct 2019	New draft of local standards developed in consultation with the leadership councils in response to network feedback received
Jan 2020	Subsequent network-wide comment period conducted for input on the revised draft of the local standards
Sep 2020	<i>Standards for Local CASA/GAL Programs</i> adopted by National CASA/GAL Board of Trustees following leadership council approvals

Primary Contributors

Many members of the CASA/GAL network contributed to the update of the local Standards. This includes serving on work groups and/or providing input during comment periods. We wish to recognize the following 2017 through 2020 leadership council members, the Quality and Accountability Committee members and a group of National CASA/GAL staff for their specific contributions to development of the 2020 versions of the *Standards for Local CASA/GAL Programs*. We thank everyone for your time and your partnership as we focus on quality, capacity, growth and effectiveness at the national, state and local levels.

How to Use the Standards

The document provides a framework for quality program management and operations excellence for nonprofit CASA/GAL programs. The document is organized into sections dealing with specific areas of program management. Each section begins with a standard. There are 11 Standards for Local CASA/GAL Programs. The order of the standards does not in any way represent importance; they are all equal in stature.

The standard statement in each section defines the overall approach to manage a particular aspect of program operations. Under each standard, “Elements of Practice” are provided as indicators for how the standard is implemented. Elements of Practice operationalize the standards by specifying activities, policies and/or processes for a local program to have in place to adhere to and to carry out the intent of the overall standard.

A Glossary of Terms is provided as a complement to the standards to provide a definition of select terms. The first use of each term in the Standards At A Glance and the elements of practice is linked to the term in the glossary.

The Documentation List is organized by standard and is designed to itemize the documents or type of documentation that will or can help to substantiate the elements of practices for the respective standards. Though all documentation is requisite, a series of the documents will be required to be submitted to National CASA/GAL as a part of the local QA process.

Glossary

Administrative Authority

The oversight authority for a publicly administered program.

Audit

When a certified public accountant (CPA) examines a CASA/GAL program's financial records in order to formulate an opinion on the financial statements. Generally Accepted Accounting Principles (GAAP) apply to independent audits and reviews. Therefore, management's financial statements must be prepared in accordance with GAAP and the auditor must follow generally accepted auditing standards. Internal controls are evaluated and transactions are tested for legitimacy. These tests provide a basis for an audit opinion which will state the accuracy of the financial statements.

Case

An action before the court involving one child or a sibling group.

Core Model

The National CASA/GAL Association Core Model identifies the foundational elements of CASA/GAL best interest advocacy. This includes our guiding principles, the types of cases served, the primary activities performed by CASA/GAL volunteers, parameters for staff serving cases and the screening, training and supervision requirements. National CASA/GAL assistance and support is limited to core model activities. [Click here to link to the National CASA/GAL Association Core Model and other foundational documents](#)

Standard 8 sets forth required training and supervision for individuals who serve as trained community volunteers. Volunteers must meet the screening and training requirements and be under the supervision and guidance of a CASA/GAL program.
