Your Itinerary

DAY 1

ARRIVE PUERTO NATALES, CHILE

Originally a small fishing port, the town is nestled on the Last Hope Sound and boasts a stunning view of the sea surrounded by the Cerro Benitez Mountains—the gateway to Torres del Paine. Transfer from the airport to Hotel Costaustralis (or similar). Join us this evening for dinner and a briefing on the following day's activities. (D)

DAY 2

PUERTO NATALES/KING GEORGE ISLAND, ANTARCTICA/EMBARK

Following breakfast, check out of the hotel and transfer to the airport for our 2-hour direct flight to King George Island in Antarctica. Home to a diverse assortment of wildlife—Weddell and elephant seals, Adélie, chinstrap and gentoo penguins—King George Island also has a human presence. Researchers from a wide range of countries, including the U.S., Chile, Argentina, and Brazil, call the various stations home. Our flight will land at the Chilean research station where the *National Geographic Explorer* will be waiting offshore. Board Zodiacs to embark the ship and set sail. (B,L,D)

DAYS 3-6

EXPLORING ANTARCTICA

With long hours of daylight at this time of year, we have ample opportunities to explore. Our schedule is flexible, allowing us to take advantage of the unexpected, whether we're watching whales at play off the bow of our ship, hiking alongside penguin highways, or enjoying an evening Zodiac cruise amid porpoising penguins. While wildlife is magnificent, ice defines the Antarctic. You'll get to know ice up close and personal—from icebergs the size of islands, bergy bits and nearvertical glaciers, to the fragile, nearly invisible layers that have just begun to freeze. One day, we might set out by kayak to encounter towering icebergs at water level; embark on a Zodiac excursion in search of seals and blue-eyed shags; or walk amid thousands of Adélie and gentoo penguins. The next, we might experience the thrill of the ship crunching through pack ice. Everywhere we go in Antarctica we're surrounded by opportunities to capture uniquely beautiful images. Along the way your expert expedition team will enrich every experience. (B,L,D)

DAY 7

KING GEORGE ISLAND/DISEMBARK/CHARTER FLIGHT TO PUERTO NATALES

This morning, the ship will be moored off of King George Island once again. Following disembarkation and Zodiac rides to shore, our flight departs the White Continent and returns to Puerto Natales where we overnight. (B,L,D)

DAY 8

PUERTO NATALES/HOMEBOUND FLIGHTS

Check out of our hotel and transfer to the airport to begin your journey homeward. (B)
